

# Corporate Philanthropy and Community Affairs at PPD

## PHILANTHROPIC PRIORITIES

PPD is committed to supporting efforts to improve health and people's lives around the world.

Our philanthropic giving and community outreach philosophy is simple. We invest our resources (through volunteering and funding) into organizations that lead the way in contributing to healthier and thriving communities.

- We focus on sustainable nonprofit organizations that align with our mission to develop life-changing therapies.
- Additionally, we support sustainable nonprofit organizations that help create healthy and thriving communities.

**OUR PURPOSE**

## PHILANTHROPY IN ACTION

For PPD employees, the mission of delivering life-changing therapies is all in a day's work. Each PPD location around the globe strategically supports non-profit organizations with donations and employee volunteer support based on feedback from employees.

### Examples include:

#### **Making Great Strides for Cystic Fibrosis**

Morrisville, North Carolina, colleagues participate in foundation's largest national fundraising event

#### **Creating a World Without Multiple Sclerosis**

Middleton, Wisconsin, employees walk for a cure

#### **Event Engages Children and PPD Colleagues**

Sao Paulo, Brazil, employees help local pediatric cancer patients

#### **Race for the Cure**

PPD employees in Belgium raise money for Think Pink — Antwerp Race for a Cure

#### **PPD Brings Cheer to Pediatric Patients**

Employees from PPD's Philippines location host holiday celebration for young patients

#### **Wilmington Walks for Autism**

Wilmington, NC employees raise money for a local organization that helps families locate services, provides understanding of diagnosis
